Hi Ari,

Thank you for the quick response. However, the map and the proposed bylaws do not stipulate which side of the street the boundaries cover. Which is yet another reason we are requesting delay.

I also can't seem to get a definitive answer on who will actually vote. Because the proposed boundaries overlap DLANC boundaries some are wondering if those in that neighborhood would also.

We'd like to get some definitive clarity.
Thanks!

Hi Rena,

Thanks for your input. Wanted to clarify though - the proposed southern border for a Skid Row Neighborhood Council annexation is 7th St. Thus, the properties in mention are not in the proposed area. That being said, we will touch base with DONE as notification was supposed to occur to DLANC, HCNC, and all area stakeholders.

You are welcome to come and share feedback at the public hearing requesting the reinstating of online voting for this election. This will be held tomorrow (Wed 3/22) 5:30PM as a special added item for Rules Committee, City Hall Council Chambers.

Warmly,

Ari

Councilmember Huizar,

I wanted to encourage you to consider delaying the election for the proposed Skid Row Neighborhood Council. We only recently discovered that the proposed boundaries include the northern boundary of the Fashion District BID. The property owners and businesses were not aware of the proposed council. These properties include large scale employment centers and residential buildings, including Dearden's, LA Merchandise Mart, Flower Markets, and Santee Village. They deserve to have an opportunity to vote on whether the council is created and they were not notified. Please delay this election until proper notification and a concrete definition of the boundaries is clarified and an understanding of who can actually vote.

This election process has not been open and transparent, the outreach was not inclusive, and the majority of those who will be affected by the outcome had no knowledge of the proposal.

Thank you,

Rena Leddy
